### Stuph & Thangs

TH' CAWFE DEAL GETS MORE COMPLICATED...

MOVING? Please use form inside paper and give full information. Mailing list is run on Friday for following week.

For most of us pore old iggerant Americana our knowledge of the Cawfee Bizness is largely confined to 'brewin' & drinkin' same, but since The Price has become somethin' 'un is makin' waves all around th' world and threatenin' to bring on a Cawfee Boycott, it was interestin' to get some facts on th' matter recently that indicate we have somethin' besides a frontbit set of trees or bushes in Brazil.

With th' price of green cawfee beans about 300% higher it was interestin' for us to learn that th' civil war in Angola also plays a part in th' shortages. Seems while th' Angolans worry other fightin' for their lives, or runnin' for same, they neglected their cawfee bizness. It was also somethin' of a surprise to learn that Uganda, which as you know is bein' run into th' ground by President for Life Idi Amin.

### Fed Cattle, Hogs Lower At Most Terminal Major Markets Monday

A few hundred more slaughter cattle appeared Monday at the major markets, but the hog run was about 3,200 below a week ago. Fed cattle were averaging around 25-75c lower at most points. Hogs were generally 50-1.00 off. Price trends, quotations of choice and prime steers and heifers and the mixed good and choice grades and U.S. 1-3 hogs weighing mostly 200 to 270 pounds included:

### Economist Points Out Proposal Falls Short of Campaign Promises, Certain To Be Revoked By Congress Action

College Station, Mar. 24 — The Carter administration 1977 farm bill proposals reflect an attempt to keep program costs low while maintaining a high level of exports and a minimal inflationary impact, according to a Texas Agricultural Extension Service economist in policy and marketing. Dr. Ronald D. Knutson says the farm bill proposals represent a continuation of the same international economic, consumer, and federal budget concerns that existed throughout the Nixon and Ford years. "The proposals were precipitated by an early struggle within the new administration over the Secretary of Agriculture's role in food and fiber policy decision. In this regard, it was clearly a defeat for Secretary Bob Bergland, farmers and ranchers," Knutson contends. Except for milk, Knutson says the proposed target and support prices were substantially less than the full cost of production promised producers in the campaign. Corn producers — with a proposed loan rate of \$2 per bushel — cannot do considerably better than wheat producers with a proposed loan rate of \$2.25 and target price of \$2.60 per bushel. Wheat producers were hoping for a minimum floor price of \$3. In a surprising turn of events, the loan rate for corn was set above the target price — making the target price ineffective and meaningless. The cotton loan rate was increased from 42.6 cents to 51 cents per pound. Texas rice producers will be extremely unhappy with the reduction in the target price from \$8.25 during 1977-78 to a proposed \$6.75 in 1978-79. This proposed reduction in price comes on the heels of a change (CONT. ON PAGE 8)

### Critics of Carter Farm Bill Blame Council of Economic Advisors For Administration Plan Shortcomings

Heavy criticism of the new proposed farm bill surfaced immediately after details of the legislation were made known. To begin with it fell short of some of the goals of Secy. of Agriculture Bergland, and it was generally believed that the President's Council of Economic Advisors, headed by Charles Schultz, and it is certain that some big changes will be made before the bill is finally enacted since some heavy fire came from Congressmen. Sen. John Tower this week called the bill a "slap in the face to Texas rice and peanut farmers." Reduction of the target price for rice, and elimination of rice allotments were criticized by Tower. Reduction of peanut support prices from 75% to 50% of parity was also hit. In addition to the price before the bill is finally enacted since (CONT. ON PAGE 8)

### Red Meat Production In February Higher By 6%, Big Gain In Pork Reported, Beef Off 1%

Washington, Mar. 28 (USDA) — Commercial production of red meat in the United States totaled almost 3.1 billion pounds in February, 6% above a year earlier, according to the Crop Reporting Board. Total red meat output for January-February 1977 was up 5% from 1976, change by individual components: Beef, down 1%; veal, up 4%; pork, up 12%; lamb and mutton, down 10%. Beef production up 1%; beef production totaled nearly 2.0 billion pounds in February, 19% above a year ago. Hog kill totaled 6,095,400 head, a 19% gain from the previous year. Lamb and mutton production declines 7%; there were 27 million pounds of lamb and mutton produced in February, a decrease of 7% from a year earlier. Sheep and lamb slaughtered totaled 478,800 head, 10% below February 1976.

In the past few years Bull Run Ranch has compiled a record in the  
show ring second to none! The knowledge of these two cattlemen  
have enabled them to pick and choose only the best females,  
coupled with the breeding of the best bulls in the Limousin breed,  
has resulted in a tremendous group of Limousin cattle to be offered  
in this Blue Ribbon Classic. Make plans now to be at the ranch  
Saturday, April 9, to appraise this outstanding group of Limousin  
Cattle.

## Texas Shorthorn Spring Sale Set

Greenville, Texas — The Texas Shorthorn Association Spring Sale will be held Saturday, April 16, 1977, beginning at 1 p.m., in the Greenville Livestock Commission Co. here.

The offering of 60 lots of Shorthorn cattle includes cows, calves, bulls and heifers. There are many show prospects in this sale, including a select group of show steers.

Further information is available by contacting the sale manager, Double D Auction Service, Route 1, Box 203, Waskom, Texas 76692, or by calling James Duncan, 214/936-5874, or Jack Dillard, 214/687-2222.

## ASA Represented At World Conference In Australia

Twenty-five representatives of the American Shorthorn Association will attend the second World Shorthorn Conference in Sydney, Australia, March 28 to April 6.

The purpose of the conference is to promote Shorthorns, with the general conference theme being "Meeting Today's Challenge with Shorthorns."

There will be four featured speakers from the American Shorthorn Association including George Innes, a member of ASA's board of directors; Dr. L. Eugene Byers, president of ASA; C. D. Swaffar, executive secretary; Sherman Borg, director of communications.

A recent survey shows that 16% of all men are now listed as "homemakers." More than 10 million men in the United States make the final grocery buying decisions.

## Texas Junior Shorthorn Lassies Plan Projects

BY MARY HINTON

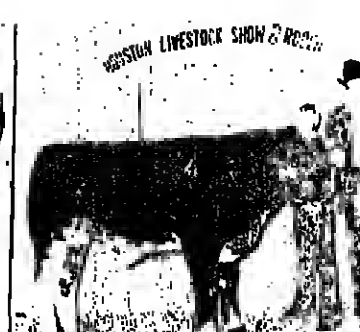

The Texas Shorthorn Lassies voted to serve a noon meal at the Texas Shorthorn Sale, April 16, in Greenville. The decision was made at the winter meeting held in Fort Worth in January. A menu of ham, potato salad, pinto beans, onions, pickles, tomatoes, bread, tea or coffee, and pie was set. Each Lassie is requested to provide 2 home baked pies, or send money to the secretary for the two pies.

The Texas group also discussed the National Junior Youth Conference set for June 13-17 in the Dallas-Fort Worth area, and what help they could offer the Junior association. The by-laws and Lassie Queen rules will be reviewed on April 18 at the Lassie directors meeting.

Young ladies 14 to 20 years of age who exhibit Shorthorns or come from a Shorthorn family, and would like to be a Lassie Princess should contact Mary Hinton, Secretary, 936 S. Dixie, Greenville, Texas 76240. Shorthorn Lassie Queens and Princesses work in breed promotion, and preside over association activities.

## SHORTHORN JUNIORS ENDORSE BDT

The Board of Directors of the Junior Shorthorn Association voted unanimously to endorse the Beef Development Task Force, at a recent meeting during the National Western Livestock Show. It was announced by J. Patrick Buchen, Junior activities director. The BDT is made of beef and dairy representatives who sponsor programs in beef research, promotion and consumer information. Three hundredths of every dollar purchased for an animal is put into BDT.

Chris Cooper, owner, is shown at the helter of his champion Shorthorn steer in the 1977 Houston market steer show. At right is Billy Starnes of the Houston Livestock Show.

## Texas Shorthorn Directors Plan Sale, Field Day

Waxahachie — Directors and officers of Texas Shorthorn Assn. met March 18, at the Brookside Inn here and finalized plans for activities connected with the Texas Shorthorn Spring Sale to be held at Greenville (Texas) Livestock Commission Co. on Interstate 30 east of here Saturday, April 16 at 1 p.m.

Kathleen Tillman, assistant to TSA Secretary Dan Tillman, said a special time will be set aside for the sale of show prospect heifers and show steer prospects at 2 p.m. during the sale. The Texas Shorthorn Lassies will prepare and serve a noon meal, and the Texas Junior Shorthorn Assn. will man a concession stand for the convenience of buyers, bidders and guests.

Also discussed was a Texas Shorthorn Assn. Field Day to be held June 11 at the Leo McGuinness Farm at Seagoville.

Directors and officers present at the meeting were: Lewis Haupt, Bryan, president; Don Brooks, Rockwall, vice president; Dan Tillman, Weatherford, secretary; and directors Buck Bardwell, Waxahachie, John Kasey, Greenville, H. (Bud) Johnson, Clifton, Obe Lohmeyer, Weatherford, Odie A. Lowe, Jr., Rockwall, and Leo McGuinness.

The sale will be managed by Double D Auction Service, Inc., Route 1, Box 203, Waskom, Texas 76692, Jack Dillard, 214-687-2222 or James Duncan, 214-936-5874, for information.

## Dr. L. G. Ballard's Live Oak Angus Herd Based On Quality Breeding

Granbury, Texas — Dr. and Mrs. L. G. Ballard, owners of Live Oak Angus Ranch here, bought their place in 1952, and after evaluating everything he could learn about the beef cattle business, decided to go with Angus — a decision that has made Dr. Ballard "happy I did."

At one time the Live Oak Angus herd was built up to around 160 mother cows, but has been cut back in recent years to a herd based on quality instead of quantity.

Much of the quality of the herd has been achieved by Dr. Ballard's meticulous selection of both females and bulls for the herd.

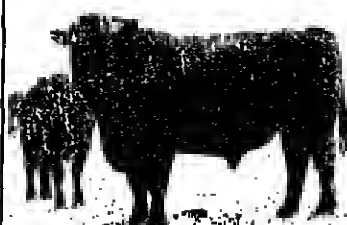

An example of that careful selection is the Ballard's "TT Marshall Pride", one of their current herd sires, that was purchased in-dam from the Premier Corp., Fowlerville, Mich. TT Marshall Pride, selected to introduce the Marshall Pride lineage into the Live Oak breeding program, is one of the largest framed, dimensional sons of Marshall Pride 256, "Tiny Tim" (CMS) seeing service anywhere in the land today. The dam of TT Marshall Pride is Premier Primrose 898B, an own daughter of Emulous Pride 70, "Big 70", who qualified as a 100 percent certified meat sire, and is a full brother to Emulous TN 70 (CMS), 1970 and 1971 "Sire of the Year" winner.

A further example of the quality

Dr. L. G. Ballard, left, owner, and Walter Lile, manager, of Live Oak Angus Ranch at Granbury, Texas, are shown above. They will be associated with Don Gamel, owner, and W. D. Youngblood, manager of Broken Arrow Ranch in hosting the second production sale of the two ranches at the Broken Arrow Ranch, Glen Rosa, Texas, on May 27.

Angus chosen by the Ballards is their senior herd sire, Marshall Pride 881, a son of Marshall Pride 650 out of the famous Hana Erica cow. Marshall Pride 881 was bred in the Erdmann herd of Wetonga, S. Dak., and has been a most consistent sire of extra size and frame in the Ballard herd. A maternal brother of "881" is "Money-maker", that sold for \$80,000, record (CONT. ON PAGE 22)

Marshall Pride 881, in the foreground above, senior herd sire of Live Oak Angus Ranch, has become a point of "pride" for his owners because of the size and substance he has put on his calves.

Displaying the quality of Live Oak Angus is this daughter of Emulous Pride 70 (CMS) with bull calf sired by Marshall Pride 881.

## Heyser Angus Heifer Sale

April 9, Eastland

Eastland, Texas — Mr. and Mrs. J. V. Heyser of Cisco will host the Heyser Angus Ranch's selected heifer sale at the Eastland Auction Co. on April 9, 1977 at 1 p.m.

# Cattle Raisers Meet Drew Record Crowd, Officers Re-elected

(CONT'D FROM PAGE 1)  
White and newly appointed Texas Commissioner of Agriculture Reagan Brown were highlight speakers.  
The four-day program at the Tarrant County Convention Center featured many historical incidents of the century-old organization, including a salute to the 14 living past presidents, a gallery of all the 39 presidents and nine secretaries that have served, and a review of the historical book "A Century of Cow Business" which chronicles the Association from its founding days.  
Ronald Reagan drew the largest crowd when the popular former governor of California condemned the secessionism of the federal government at the Kickoff Luncheon on Monday noon of convention week. "The cost of government is greater than the cost of our food, shelter and clothing combined," he told 1,800 luncheon guests who interrupted him 12 times with applause. "Thirty years ago 10 cents out of every dollar earned was paid in taxes. Now it's 44 cents. While there are 70 million workers in the private sector financing the United States, there are 61 million people totally dependent upon government for a living."  
The directors re-elected J. A. Whitcomb III of Amarillo president, John E. Armstrong of Kingsville as first vice president, John S. Cargile of San Angelo as second vice president, and Dan C. King of Fort Worth secretary.

General manager. New directors elected by the membership included: Raynold Alana, Rio Grande City; Eric Anderson, Gail; Presna U. C. Cope, Falfurrias; Leonard Cornallus, Bay City; William C. Donnell, Jr., Hatesville; Dale Dorn, San Antonio; C. L. Garrett, Waller; Stephen J. Kloborg, Kingsville; J. Ben Lova, Jr., Marsthorpe; John L. Merrill, Fort Worth; Chris Moser, DeKalb; James B. Owan, Tyler; Tom L. Roach III, Amarillo; Charles Schreiner III, Kerrville; Walter B. Scott, Goliad; Steve Tynlor, Amarillo; Gene Willingham, Yarnon; and Ray W. Willoughby Jr., San Antonio.  
John C. Whitcomb, newly named to the No. 3 spot in the USDA by President Carter told the crowd of cattlemen at the first general session that the 1985 beef import meat law is working in 1977 just about as well as a 1905 pickup would work in 1977. Relating his conversations with President Carter and Secretary Bargland, White told his audience, "We are trying to bring back the trust of farmers and ranchers with the USDA and to help them make a profit from what they are doing."  
Gov. Briscoe, a former TSCRA president, received a standing ovation as he entered the auditorium to address the cattle raisers. He stressed holding the line on taxes, taking a stronger stand on the prosecution of crime and the need for other states to produce their own energy by drilling for oil and gas and by mining coal. He praised the energy industry in Texas for its concern of the environment while forging to the lead in production and he stated that if any federal

investigation is held concerning the boarding of a seagull supplies, it should start with those states who have refused to initiate production of available supplies.  
In his report to the membership, President Whitcomb called attention to the fact that those 40 pioneer cowmen who had formed the TSCRA a century ago still help in solving the pressing problems of cattle raising, but then and throughout their history sought to solve their own problems.

**AVOID CHANGING WELL LEATHERS FOR MANY YEARS**  
Perma-cups are molded urethane, more wear resistant than nylon. Perma-cups will outlast leathers 10 to 1. Their tapered design allows only 1/8" wearing, instead of 5/8" of a leather. Much less friction for easier pumping extends cylinder life greatly. Perma-cups must be used in a good or new cylinder, as they do not swell. Install Urethane Perma-cups, Urethane Check-balls, and don't pull that wall for many years. Thousands are in wells that have not been released in 8 years! All are available in standard cylinder and pipe sizes. Write or call for our catalog. We ship same day order is received. This is our 27th year serving ranchers.

## Brinkman Bros. Brangus Clinic and Sale Set For April 1 and 2

Kerrville, Texas — The Brinkman Bros. Brangus Clinic and Sale will be held April 1 and 2 with the Clinic scheduled for Friday, April 1 at Staterlite, Texas. The Brinkman Bros. Brangus Sale will be held Saturday, April 2, beginning at 10:30 a.m. at Brink's Brangus, Kerrville, Texas. This sale of New Brangus Bloodlines features 200 lots of Brangus cattle.

The sale offering includes 40 Brangus heifers, 50-3/4 blood heifers, 80 Angus cows, 26-3/4 blood bulls and 5-1/2 blood bulls. The forty new genetic females are all daughters of the Golden Certified Meat Sire, Four. Many are 3/4 sisters carrying the maternal blood of such great Angus sires as Colossal-CMS, Big-70-CMS and Emulous Bob of K Pride-CMS. All carry breeding privileges to the Brink's Bull Power herd sires of the buyers choice.

The 80 registered Angus cows are safe in calf or with calves at side by outstanding 3/4 blood and Brahman bulls.

Sale headquarters will be the Inn of the Hills at Kerrville. For information contact L. D. "Brink" Brinkman, Brinkman Bros. Cattle Co., Box 1347, Kerrville, Texas 78028, 512/257-5444.
